BEN FANNING

FRONT-END DEVELOPER

ABOUT

Front-end developer with 3+ years experience working chiefly in Javascript (React) & Ruby on Rails. Attended worlds #1 coding bootcamp in 2017 then returned as a teacher. Co-founded Hoxton Digital, a London based web development agency with clients ranging from indivudal entreupenuers to medium sized enterprises. Managed front end implementation of all projects throughout the companies life as well as more sporadically implementing back end solutions as well.
